

The Aid Association of the Brüder-Grimm-Schule-Göttingen e.V. introduces itself

Dear Parents and Teachers,

The Aid Association of the Brüder-Grimm-Schule e.V. was founded in June, 2007. In cooperation with the parents and the teachers, we financially support ideas and projects. Due to the fact that we are not otherwise engaged we can act freely and thus have a lot of opportunities to participate in many different creative fields and projects. For the last few years we have, for examples, participated in and financed the following projects: the school garden, a workshop on sculptures after Niki de St. Phalle in the hall, sculptures in front of the school, flea markets for children and theatre projects. Furthermore, we organised a sale of t-shirts with the school logo and spring concerts. There will be much more to come.

Our aid association works on an honorary basis and the committee usually consists of the pupils' parents who support us as long as their children attend our school. It is very important that the aid Association has as many members as possible, as it gets its money through membership subscriptions, donations and various activities such as school festivals.

The membership fee is 12,00€ per year.

You are most welcome to contribute more if you wish to.

Of course, it is not a requirement that every member finds the time to participate actively; that is not at all necessary. Most members help with their fees and some also offer to help at various school events. The Aid Association's committee always informs the teachers about projects so that the parents can decide if they have the time and would enjoy participating in them.

For any questions, ideas or interests concerning projects or any form of planning and designing, feel free to contact any of the following three committee members who would be more than pleased to receive any recommendations and suggestions:

| 2. Chairman Mr. Daniel Isberner | d.isberner@gmx.de |
| 3. Treasurer Mrs. Sarah Johannsen | Sarah1989@gmx.de |

Everyone is welcome to join the Aid Association as every single member contributes to the success of all the (upcoming) projects!

Of course, donations are very important and helpful too. The association is a non-profit organisation and can issue you a donation receipt.
